BOTTLED: February 2024 | PRODUCTION: 749
cases

Price \$25.00

WINEMAKING

The Chardonnay was fermented in stainless steel tanks at cold temperatures. The Viognier and Petit Manseng were fermented and aged in used barrels. Malolactic conversion was avoided in order to maintain the fresh, bright character of the fruit.

TASTING NOTE

This crisp blend is named after our farm. The nose is bright and lively with notes of fresh pineapple, white flowers and acacia with flavors of ripe honeydew and peach skin. On the palate, a refreshing acidity sustains the finish. Aged in a combination of used oak and stainless steel.
