2023 BRUT ROSÉ

AVA: Monticello

VARIETY: 75% Chardonnay, 25% Petit Verdot
ABV: 10.53% | RS: 0.54% | pH: 2.93 | TA: 11.53

Rosé

WINEMAKING

Our Brut Rosé is produced in the traditional method from Petit Verdot and early harvested Chardonnay. Aged in oak barrels then after bottling, the wine continues to age sur lees for 18 months until the time of disgorgement.

TASTING NOTE

This dry, sparkling wine, is bright and crisp. The inclusion of Petit Verdot brings forth texture and a vibrant pink hue. The Chardonnay gives the wine notes of white cherry, strawberry and pear on the nose and palate.
