2% Merlot

ABV: 12.61% | RS: <0.1% | pH: 3.63 | TA: 4.6

BOTTLED: June 2025 | PRODUCTION: 1433 cases

WINEMAKING

Our single varietal Cabernet Franc is harvested earlier than the fruit used in our Meritage. After fermentation, the wine undergoes a short maceration to gently extract color and fine tannins. It is then aged for nine months in a combination of 500-liter French oak puncheons and concrete tanks, enhancing both structure and freshness.

TASTING NOTE

A bright nose of black cherry and strawberry is accented on the palate with notes of dried tea leaves, white pepper, and musk. Enjoy now or age for three to five years.
